EDIBLE CLAY

1. Grease measuring cup with vegetable oil.
2. Mix peanut butter with honey.
3. Add instant dry milk, a little at a time, until mixture is stiff.
4. Cover students' desks with wax paper, and have students wash their hands.
5. Spoon out the “edible clay” to each student and allow them to experiment and create with the clay.

MATERIALS
(Enough for 18 students)

- 2 c peanut butter
- 1 c honey
- 3 c instant dry milk
- oil
- wax paper

PEANUT BUTTER TREATS

1. Mix ingredients in a zip-lock bag.
2. Eat and enjoy.

BUGS ON A LOG

1. Fill celery sticks with peanut butter.
2. Press raisins here and there to represent bugs.

MATERIALS

- 4-in sections of celery (washed and dried)
- peanut butter
- raisins
